The Great Carminative.

A moſt famous Tincture for the Wind Cholick,

IN what Part ſoever lodged; for at once taking, and in five Minute's Time, it perfectly cures the ſevereſt Gripings in the Guts, and immediately expels the Wind from the Stomach or Bowels (as it were) to a Miracle.

For all wandering Pains in any Part ſoever, which are in ſome Perſons the Forerunners of a fixed Rheumatiſm, in others the Gout (miſtaken many times under the Notion of Scorbutick Ailments) this famous Medicine has not its Fellow, having wrought Wonders in theſe Caſes on great Numbers of People, who, before taking it, could neither ſit, ſtand, nor lie at Eaſe; but were in intolerable Pain Night and Day, and in taking leſs than half a Bottle, were abſolutely freed from their preſent Pain, and, by a ſhort Continuance of the Cure, recovered to perfect Health again.

As for any Belchings or Hiccups, proceeding from Wind; or, in ſhort, in any Caſe of Wind, it may be depended on as the beſt, ſafeſt, moſt expeditious, and moſt ſovereign Remedy ever yet known.

It is ſold only at Mr. King's Picture Shop in the Poultry, near the Royal Exchange, and at Mr. Harbin's (Jun.) Stationer, at the Sign of the Crown in the Strand, near Charing-croſs, at 3 s. the Bottle.

By the ſaid Mr. King and Mr. Harbin is alſo ſold for 3 s. the Bottle.

The Princely beautifying LOTION.

Whoſe INIMITABLE VIRTUES and TRANSCENDENT EXCELLENCIES have gained it ſo much Reputation, that envious Imitators endeavour, tho' in vain, to counterfeit it.

It beautifies the Face, Neck, and Hands to the utmoſt Perfection, and is in the greateſt Eſteem amongſt Ladies, &c. of the firſt Quality. No Words can ſufficiently expreſs its Virtues; for it is not of the Nature of Paint, which puts a falſe and unnatural Gloſs on the Skin; but is a Remedy that, by its Uſe, really gives a Luſtre to the moſt Beautiful, by ſhewing the fine Features of the Face, and is ſo ſafe, not having the leaſt Grain of Mercury in it, that it may be taken inwardly, and if ſmelled to, is really good againſt Vapours.

It infallibly kills Worms in the Face, takes away Freckles, Spots, Wrinkles, Pits, or Marks of the Small-Pox, and aſſuredly cures any Defects in the Face, giving a charming youthful Luſtre and fine Air to the Features, to Admiration.

As for ſuch Perſons as are of a ſwarthy Complexion, or troubled with any diſagreeable Redneſs, Roughneſs, Morphew, Heats, or the like, it is not to be paralleled; for it immediately ſmooths, clears, plumps, nouriſhes, and whitens the Skin to the laſt Degree, and makes thoſe Perſons who before look'd haggard and old, to look young, beautiful, and fair; and, in ſhort, it far exceeds any thing that was ever yet known or made publick, for clearing and beautifying the Skin.

LONDON: Printed for T. COOPER, at the *Globe* in *Pater-noſter-Row.*
